**Hello Rich ,
I'm living in Florida now and I asked a local tax
accountant about what I need to do regarding taxes in
Florida .
I'm concerned because I don't remember ever signing
my tax return and I don't remember ever signing
authorization for my taxes to be filled electronically.**

**Also I'm uncomfortable with [REDACTED] company.
I don't know what it is . But I signed as a sole member

the TD bank account was opened in February.
That company has never been a part of my personal**

return .
I don't feel comfortable being involved in this company
because I don't know anything about it .
